

## **10 Panel Rapid Drug Screen**

### **DESCRIPTION**

The 10 Panel Rapid Drug Screen will determine the presence or absence of 10 types of drugs or their metabolites in your urine. This test is an instant test that screens the urine for the drug metabolites and can include a laboratory confirmation, if necessary.

### **WHY DO I NEED THIS TEST?**

There are a lot of reasons why you might need a drug test. Perhaps your employer has a drug testing policy, or maybe you're being considered for a job and a pre-employment drug test is needed. Parents of teens may also want to consider this as part of ANY LAB TEST NOW's Trust, But Verify Program.

### **HOW LONG WILL IT TAKE TO GET MY LAB TEST RESULTS?**

The test results from the instant drug screen are available within minutes after the specimen collection

## **OTHER RELEVANT LAB TESTS**

You may want to also consider the Alcohol Effect Panel, Hair Drug Screen, or Annual Check-Up Panel. For diagnosis or treatment options, show your test results to a physician.
