

MARIJUANA CONFIRMATION DRUG TEST (URINE)

DESCRIPTION

The **Marijuana Confirmation Drug Test (Urine)** will identify the presence or absence of marijuana metabolite in a urine specimen. This test is considered a confirmation test and does not include a screen. If marijuana metabolite is present, this test will also provide the amount.

This test requires a standard urine sample that can be collected at the Any Lab Test Now store location of your choice. All urine samples are collected and sent to the laboratory using strict chain of custody procedures that protect the identity and integrity of the specimen.

Depending on how much and how often marijuana is used, urine samples may remain positive for several weeks after use.

This test is intended to identify recent use of the following:

- Marijuana

WHY DO I NEED THIS TEST?

For Consumers:

The **Marijuana Confirmation Drug Test (Urine)** is recommended for consumers seeking a drug test for personal knowledge or employment purposes. Consumers who have recently stopped using marijuana might consider this test as a way to monitor clearance of the drug from their bodies.

For Law Enforcement Agencies or Substance Abuse Monitoring Programs:

The **Marijuana Confirmation Drug Test (Urine)** is recommended for agencies or programs responsible for monitoring individuals who are required to abstain from marijuana use.

WHAT DO I NEED TO DO TO PREPARE?

Drink 8-12 oz. of fluid 30 minutes prior to the test.

IS IT SAFE TO TAKE THIS TEST IF I AM PREGNANT?

Yes.

WILL CERTAIN FOODS/DRINKS MAKE THE TEST APPEAR POSITIVE?

No.

DO I NEED TO MAKE AN APPOINTMENT?

No. You can walk in for same-day testing. We make it easy by offering work-friendly store hours.

HOW LONG WILL IT TAKE TO GET MY RESULTS?

Allow 3-5 business days for the laboratory to complete the testing and provide a report.

WHO HAS ACCESS TO MY RESULTS?

Drug test results always belong strictly to the donor, except in the case of a minor child or an employer or court-ordered drug test. The donor may also provide written authorization for test results to be provided to one or more third parties, if necessary.

IS A DOCTOR'S ORDER REQUIRED?

No. Drug testing does not require a doctor's order to be performed.

WHO CAN I CONTACT IF I HAVE QUESTIONS ABOUT MY RESULTS?

Drug testing results should be discussed with your primary care physician.

Website test descriptions and all associated information are provided through the Any Lab Test Now Product Management Team, in conjunction with the Medical Professionals Committee and Dr. Ekan Essian, MD, Corporate Medical Director.
